About Keep Wisconsin Warm/Cool Fund

Can you imagine having to choose between eating and heating or facing Wisconsin's blistering heat without power? It is a choice thousands of Wisconsin households are forced to make each year. The most seriously affected are elderly, disabled, or working families with young children, who are often too proud to ask for help. The Keep Wisconsin Warm/Cool Fund (KWW/CF), founded in 1996, is a statewide non-profit that assists low-income households who, at no fault of their own, cannot meet their basic survival needs. Your generosity leverages resources through a unique state match, that turns every \$1 private and business donation into \$3. **KWW/CF keeps their administration costs to 5% or less, so that \$0.95 of every dollar goes directly to keeping the heat and power on for those in need.**

By participating in the 2010 KWW/CF Spring Green Charity Golf Classic and Silent Auction you will help raise funds for those most in need across the state. Please join the growing list of corporate supporters and help keep the HEAT and POWER on! There are many ways to become involved...
